

Corporate – Residential – Small Business

Experience the Difference

Trinsic understands that the big phone and Internet providers have taken you for granted for years. That's why we're out to redefine the relationship between a communications company and its customers. We want to give you a new, rewarding choice in home communications.

Remember to write down and use (302) 984-1179 at sign-up with the Trinsic Representative to receive your discounts.

The Trinsic difference:

A Real Choice of Plans

We provide a robust choice of home communication plans designed to fit every lifestyle and budget. Trinsic plans give you everything you need on one bill, from one reliable provider.

Honest, Straightforward Pricing

To provide you with the best value, we believe in sensible, straightforward pricing for all of our plans. We even tell you what your approximate monthly taxes and surcharges will be so you'll never be surprised when your bill arrives.

Another Reason Trinsic is the Rewarding Choice!
